CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Daphna – We read your request for “any attachments related to” Zagone to refer to the attachments in your earlier email ([RPLI 0083483](#) (embedded attachments include a deck and recording) and [RPLI SEC 0302509](#) (referenced deck)). We are reviewing now and will respond shortly.

Best,
Joy

Joy - As a follow up to the below, we also request that you produce any attachments related to Ryan Zagone by Friday along with his other emails.

Thank you, and please let us know if this presents any issues.
